Hello,

Annie is so excited to visit Colorado and see her old friends. She asked me to remind everyone to come and visit her on the 8th of October. As I mentioned in a previous note to you all, you may call Annie's sister Ronnie if you cannot visit on the 8th and need to come another day. Just call Annie's Colorado phone number after the 1st of October: 303-670-5651 Leave a message if no one answers and Ronnie will get back to you. The family will be flexible if you need to visit another day or another time on the 8th. You can always email me or call if you cannot reach Ronnie as I will be here in the office.

Linda
